1, 2, 3

Special Condition # 17: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On June 13, 2013, Vicente Ramos violated conditions of his supervised release in Spokane, Washington, by providing a urine specimen which showed presumptive positive for THC metabolites.

On June 10, 2013, the offender failed to appear to provide a urine sample pursuant to phased urinalysis program.

Special Condition # 16: You shall undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare. You shall contribute to the cost of treatment according to your ability to pay. You shall allow full reciprocal disclosure between the supervising officer and treatment provider.

Supporting Evidence: Vicente Ramos violated conditions of his supervised release in Spokane, Washington, by failing to appear for substance abuse counseling on June 21 and 22, 2013. During the above-referenced in-office meeting to address the offender's noncompliant behavior, he was directed to participate in a re-assessment for substance abuse counseling at ADEPT. At that time, Mr. Ramos acknowledged that he understood the requirement to participate in treatment as ordered by the Court. On June 21 and 22, 2013, the undersigned officer confirmed that the offender failed to appear and/or call ADEPT relative to substance abuse counseling.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
